contact page (Desktop)

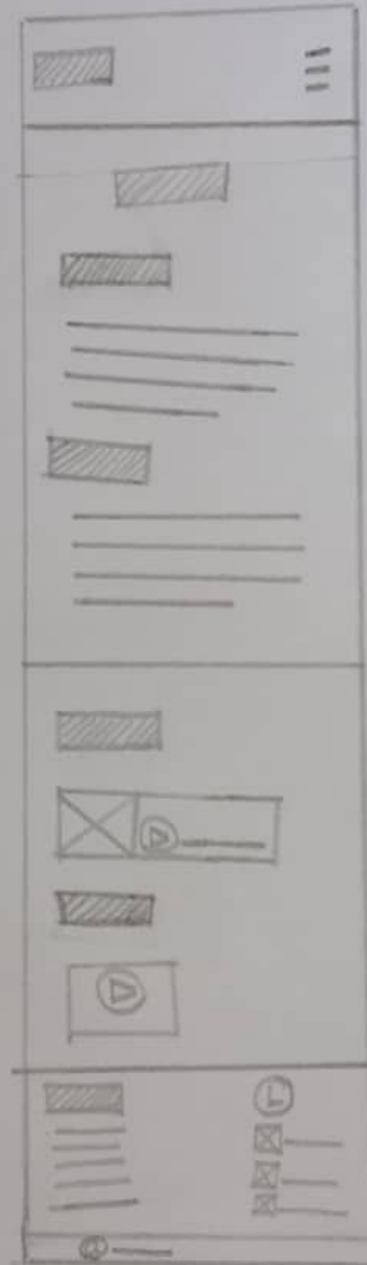

The wireframe illustrates a contact page layout for a desktop screen. It is organized into four main horizontal sections:

- Header:** Contains a circular logo with the letter 'L' on the left and a navigation bar with five rectangular links on the right.
- Main Content Area:** Features a title bar, followed by a short paragraph, and then a form consisting of three input fields and a submit button labeled 'button'.
- Footer:** Includes contact information (phone, email, and address) on the left, a list of social media links in the center, and a copyright notice on the right.
- Bottom Bar:** A thin bar at the very bottom containing an '@' symbol and a line for email.

Education Page (Tablet)

Hand-drawn sketch of an Education Page for a tablet. The page layout includes a header bar with a logo on the left and a progress indicator on the right. The main content area is divided into sections: a top section with a title bar and three lines of text; a middle section with a title bar, a bulleted list, and more text; and a bottom section with a title bar, a list of items, and a search bar. The bottom navigation bar features icons for home, list, and search.

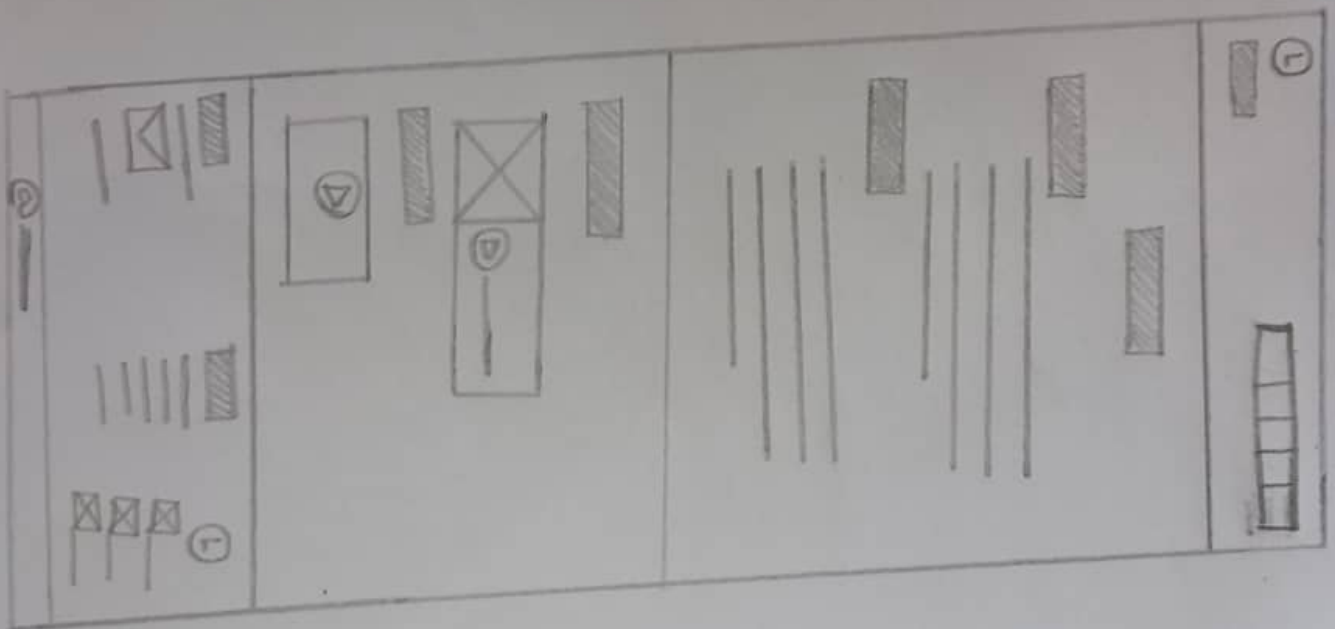

Contact Page (Tablet)

Hand-drawn sketch of a Contact Page for a tablet. The page layout includes a header bar with a logo on the left and a progress indicator on the right. The main content area contains a list of contact items, each with a title bar, a status bar, and a list of details. A large empty box is present at the bottom of the list. The bottom navigation bar features icons for home, list, and search.
